

imageframe.h

```
graph TD; A[imageframe.h] --> B[QFrame]; A --> C[QSize];
```

A diagram illustrating a header file dependency. At the top, a gray rectangular box with a black border contains the text 'imageframe.h'. Two dark blue arrows originate from the bottom edge of this box. The arrow on the left points diagonally down and to the left towards a white rectangular box with a gray border containing the text 'QFrame'. The arrow on the right points diagonally down and to the right towards another white rectangular box with a gray border containing the text 'QSize'.
